

Welcome to the Lauri Ann West Community Center

Vision

We unite and inspire community.

Mission

The Lauri Ann West Community Center builds connections, expands horizons and impacts lives by providing a safe place for all to learn, play and grow.

Hours

Fitness

The Lauri Ann West Community Center is open Monday-Sunday. We do have reduced weekend hours during the summer. Please check our website for the most up to date listing of facility hours.

Gymnasium

The open gym time in the gymnasium varies daily. Please check our website for the most up to date open gym times. Please note that open gym is typically more limited in the winter months but the Lauri Ann West staff aims to allow for at least a couple of hours of open gym each evening.

Open Pickleball

Open Pickleball times will be listed on our website. The Lauri Ann West Community Center works to schedule open Pickleball times a few times during the weekend and on each weekend day.

Security and Safety

Emergency Closings

There are times that the Lauri Ann West Community Center must close due to circumstances out of our control. There are 4 ways that we communicate these situations:

- Our website (www.lauriannwestcc.org)
- Our welcome center (call 412-828-8566)
- The RainedOut app (go to www.rainedout.net, look up the Lauri Ann West Community Center, and follow the steps to sign up for text alerts)

Cell Phone Usage

The Lauri Ann West Community Center permits talking on cell phones in the hallways, lobby, sidelines of the gymnasium, and any other meeting area. We ask that you keep your voice low in order to not disrupt other members. Talking on cell phones is not permitted during classes or in the fitness center. This is for the safety and comfort of our members.

Security Cameras

The Lauri Ann West Community Center has security cameras stationed at various locations throughout the building, as well as outside the facility. These cameras are utilized to provide visual access to all areas of the facility at all times. The goal of the cameras is to prevent crime and ensure the safety of our members.

First Aid/CPR

All staff members are required to be certified in CPR and First Aid. The facility has two first aid kits. If you are ever in need of minor first aid, please ask any staff member. The facility is also equipped with two defibrillators and staff members have been trained how to use them.

Megan's Law

We use the Raptor System to compare all members against the Megan's Law Offender list. All member names will be scanned through this system. Those verified to be known sex offenders will be contacted immediately and their membership will be terminated.

All staff members are required to have the PA Criminal Record Check, Child Abuse Clearance, and FBI Fingerprint Clearance.

Emergency Plan

The Lauri Ann West Community Center has an emergency plan in place and all staff members have been trained. We will routinely run tests and fire alarm drills to make sure that we are prepared to handle any kind of emergency. Specific details of the evacuation plan are not made known to the public for safety purposes.

Photo Identification

All members and guests of the fitness center or gymnasium are required to have their photo taken. This allows us to learn names as well as to prevent people from sharing a membership. If you refuse to have your photo taken you will be required to show photo ID each time you use the facility.

Safety Committee

There is an active safety committee at the Lauri Ann West Community Center. If you have any safety concerns, please report them to any staff member. We know that our members are the eyes and ears of the facility. If you see something, say something!

Lockers and Valuables

The lockers are available for anyone to use. Please feel free to bring your own combination lock to use while you are working out. You are not permitted to leave locks on lockers overnight. We do have a few locks that we

can loan out if you forget to bring one. We ask for a “trade item” (car keys, photo ID) so that we make sure that we get the loaner locks back. You are responsible for any items that you leave in a locker.

The locker kiosk at the end of the lockers is available for all members. Each small compartment has a resettable lock, similar to a hotel safe. Instructions for use are above the kiosk. If you have trouble with the lock, the welcome desk attendant has a master key.

Financial Assistance/Discounts/Scholarships

For employees of the Fox Chapel School District, the LAWCC will waive the join fee on all fitness memberships. Proof of employment is required.

If you are financially not able to afford a membership at the LAWCC we do have some scholarships available. Scholarship amounts are based on income. Applications are available on our website.

Group Exercise Classes and MindBody

Group exercise classes are included in your fitness membership. A monthly schedule of our classes is released at the beginning of each month. Most classes are able to be adapted to all fitness levels.

The Lauri Ann West Community Center uses the MindBody app to reserve spots in our group exercise classes. You will need to set up a MindBody account if you want to utilize the app. You also must let us know if you are registering for MindBody so that we can assign a membership to you in their system. All classes can be registered for 48 hours in advance. You may also call the welcome desk to book your space in a class.

We ask that you cancel your reservation if you are not able to make the class. That allows us to contact members who are on the waitlist to give them the opportunity of attending the class.

Personal Training

We offer 30 minute or 60 minute personal training sessions. They are sold in packages at quantities of 4, 8, 12, or 18 sessions. There are various personal trainers who work out of the LAWCC. Please feel free to reach out to any of them or tell the front desk that you are interested in learning more about our training options.

Each new adult member gets one free 30 minute training session. One of our trainers will reach out to you to schedule this free session once you purchase a membership.

Child Watch

Child Watch is available for Family Fitness Members for an additional monthly fee (see website for rates). Children ages 6 months - 6 years are able to attend child watch. Our child watch area is fully supervised. Hours are 8:30am - 11:30am (Monday - Friday) and 5:00pm - 7:00pm (Monday - Thursday). You can sign your child up for a child watch spot 48 hours in advance.

In order to sign your child in, you must provide a form of photo ID which we can make a copy of. The person who signs a child in must be the same person who signs the child out. Please go to the welcome desk prior to dropping your child off or picking them up so that you can sign the appropriate form.

Arts and Enrichment Fees are based on the number of consistent days (2-5 days per week) and are billed on the 1st of each month. Please review the website for further details on this program.

Guests

We offer 1 day or 4 day guest passes. They include full access to the facility (fitness center, gymnasium, and all group exercise classes). With the 4 day guest pass, all 4 visits must be completed within 30 days or they will expire. Please see the website for guest pass rates.

All guests must provide personal information for their guest pass and sign a release of liability. For that reason, anyone under the age of 18 must have a parent or guardian come in with them on their first visit in order to sign their paperwork.
