ARMS & ABS - This "no-cardio", 30 min class will focus on strengthening and toning your arms and abs. Class will vary each week using body weight exercises, dumbbells, bands and other equipment. All levels are welcome.

BODY SCULPT - Build incredible strength, mobility and power through primal movement patterns (hinges, bear crawls, crab walks, etc.). Mastering calisthenics and resistance bands, and enhancing muscle tone and explosiveness through the use of dumbbells and kettlebells All levels welcome.

CARDIO CRAZE - This is a full-body workout meant to get your heart pumping by supplementing strength training with short bursts of intense cardio. Meant for all fitness levels with modifications or progressions provided for everyone.

CARDIO KICKBOXING - Looking for a fun way to gain strength, get leaner, and move better? Our aerobic kickboxing class will help you: Get stronger for whatever comes your way! Burn lots of calories as you punch and kick in a safe and effective manner! Learn to move like a well-conditioned athlete!

CARDIO REBOOT - Get your running shoes ready! This cardio strength class takes place on our indoor track. It is a timer based class that uses intervals to work on improving your cardiovascular endurance and build strength using bodyweight exercises and different types of equipment. It is sure to burn off some serious calories in a fun, safe way!

CIRCUIT TRAINING - This high energy circuit training class checks all of the boxes. Cardio, strength and core moves are incorporated into stations. We use a wide variety of equipment and the timer keeps you on track and allows you to work at your own pace. All levels are welcome.

ESSENTRICS - A dynamic, full-body workout suitable for all fitness levels and ages, that simultaneously combines stretching and strengthening. This class will increase flexibility and mobility for a healthy, toned and pain-free body.

FAMILY ZUMBA - Join the party! This class will include kid-friendly routines based on original Zumba choreography for the whole family to enjoy. No experience necessary as we break down the steps and add games/activities that are fun for all.

HARDCORE - This 30 minute class is dedicated to helping you improve your core strength! Strength and stability will be worked through a variety of exercises utilizing dumbbells, bands, and bodyweight. Suitable for all fitness levels with modifications!

KUNDALINI YOGA - This class is based on the teachings of the 5000-year-old Kundalini Yoga found in the writings in the Upanishads of ancient India, and on instructor Moni's own unique life experiences. The infinite, cosmic Kundalini energy is asleep at the base of the spine in all human beings. With Pranayama (breathing), mudras, asanas, meditation and mantra this energy gently awakens and rises for a sense of physical well-being, balance in body and mind, and a true connection to one's soul.

MAT PILATES - Engage your mind while intentionally becoming aware of your breathing, concentration and posture. Use the classical Pilates method to activate your core through mixed level exercises. Create elongated muscles, body alignment and increased relaxation.

MIXXEDFIT - A hip-hop based dance cardio fitness program that combines dance movements with bodyweight toning. Get your sweat on dancing to today's hit songs and yesterday's favorites!

POUND - This exhilarating full-body workout combines cardio, conditioning, and strength training with yoga and pilates-inspired movements. Using lightly weighted drumsticks designed specifically for exercising, POUND transforms drumming into an incredibly effective and fun way of working out. Designed for all fitness levels and appeals to all ages and abilities.

POWER TONE - Start your day with this total body workout. Sets of strengthening and toning exercises mixed with bursts of cardio will give you an effective workout to help you tone muscles, boost metabolism, and continue to burn calories all day long! Never do the same class twice: format changes every week. Appropriate for all fitness levels as all exercises can be modified or amplified!

POWER YOGA - Power Yoga is a fast-paced style of yoga focused on building strength and endurance. It is a challenging, flowing sequence meant to wake up your body and increase your heart rate!

PUMP IT UP STRENGTH - Get ready for a full body strength-based class that focuses on building, sculpting and defining your entire body. This timer based class uses a combination of bodyweight, dumbbell and band exercises to maximize your efforts and get you the results you are looking for. All levels are welcome.

RELAX AND RESTORE YOGA - This yoga class is designed to help us relax and restore our mind and body. Traditional yoga poses and breathing are used to help us increase flexibility, release tension, work on mobility and range of motion and bring us to a more relaxed state by the end of class. All levels are welcome. Please bring your own mat.

SILVER SNEAKERS STABILITY - A class for older adults that incorporates exercises to improve balance, flexibility, gait training and stability in a safe, fun environment. An instructor will guide you through a series of exercises in and out of the chair. All levels welcome.

SILVER SNEAKERS CLASSIC - Provides a well rounded workout for older adults by incorporating exercises to improve strength and flexibility as well as skills for fall prevention and functional movement patterns. The instructor will guide you through a series of exercises in and out of the chair. All levels welcome.

SPINNING - Lose your worries and gain endorphins in this exhilarating cycling class. We turn down the lights and turn up the volume on a journey that will push your limits through climbing hills, sprinting to your personal goals, and coasting toward an elevated state of mind and body. Challenge your cardiovascular system by using the cadence sensor to track your progress, or simply ride at your own pace in an enlivening atmosphere.

SPIN & SCULPT - Rise and shine with a unique mix of cycling and strength exercises on the floor that will give you a full body interval workout to start your day off right. Increases endurance while toning muscles.

TABATA BOOT CAMP - Get ready for a fun, upbeat workout that uses a combination of bodyweight exercises and strength equipment to work strength, core, and cardio. This Tabata style will use high intensity intervals to maximize your burn and boost your metabolism.

TONE CENTRAL - This intense class will feature a variety circuits - using combinations of cardio exercises, dumbbells, and other modalities in an effort to achieve a toned, athletic physique.

TOTAL BODY STRENGTH - 45 minutes of block work focusing on a variety of strength and balance exercises. Each week there will be a different focus on muscle groups using bands, dumbbells, and bodyweight. Perfect for all fitness levels with modifications.

TRX BODY POWER - Ready to challenge your body with this suspension training workout? TRX uses your body weight and gravity to improve on strength, cardio, flexibility and balance, while engaging all of your muscles. The exercises are provided and you decide your own intensity. All fitness levels are welcome.

VINYASA "FLOW" YOGA - This class is geared for practiced yogis and beginners alike, with modifications as needed. The Ujjayi breath is used to connect breath to movement at a moderate pace, with some holding, in which students will build mindfulness, strength and skill in alignment and breath work.

ZUMBA - Dance to great music and burn a ton of calories without even realizing it. Zumba is an international Latin inspired dance party that's moving millions around the world. Grab a friend and join this class for the perfect combination of fun and fitness!
