

The Center Shines On!

1983-2023

ABOUT THE LAURI ANN WEST COMMUNITY CENTER

The Lauri Ann West Community Center primarily serves the six municipalities that comprise the Fox Chapel Area School District. Our mission is to build connections, expand horizons and impact lives by providing a safe place for all to learn, play and grow. While many visit the facility for our fitness center and gym, featuring state-of-the-art equipment and dozens of weekly group exercise classes, we are far more than just a gym.

Our facility also provides a robust schedule of adult and children's classes and programs. Our popular Afterschool Arts & Enrichment program and summer camps serve children and working parents in the area. Senior fitness and wellness programs are filled year-round. Our summer Wine Wednesdays, bi-monthly speaker series and community events such as Trunk or Treat and Breakfast with Santa offer opportunities for our community to gather.

ABOUT THE EVENT

Celebrate the Center is Lauri Ann West Community Center's premier fundraiser and a highly-anticipated annual social event in Fox Chapel, Pennsylvania. This community celebration draws hundreds to our picturesque hilltop terrace in the Township of O'Hara to enjoy this special night of fine food, local music and friends, old and new.

The 2023 Celebrate the Center - The Center Shines On will take place on Friday, September 22nd and will celebrate 40 years since the start of the effort to transform the former Boyd Elementary School building and grounds into a thriving community library and community center. We can't wait to honor past volunteers, staff, and community leaders with this special night.

WHAT SUPPORTING CELEBRATE THE CENTER MEANS

Your support will help underwrite the expenses of the event, largely produced through volunteer efforts and donations, as we attract more families and friends to the benefits of our Community Center. More importantly, proceeds from the event will ensure continued excellent and accessible programs and classes for members and guests:

- Supplies for children's programs
- Hiring and retention of expert instructors & staff
- SilverSneakers no-cost gym membership for seniors
- Facility upkeep and maintenance

This year proceeds will also be directed to underwrite new programs to honor two bold and creative women who started it all back in 1983:

The Sue Golier Memorial Speaker Series - The 2024 bi-monthly event drawing in distinguished speakers from across the region, to inspire and inform our community.

The Gretchen Montgomery Children's Scholarship Fund - This fund will offset the fee to participate in our After School Arts and Enrichment Program and Summer Camps for families in our community demonstrating financial need.
