**Beginner Pickleball:** For those who are true beginners. Maybe you've taken our beginner program but you don't feel comfortable playing with more experienced players? This is the session for you.

**Social Pickleball:** For players of various skill levels looking for a fun, comfortable, social, non-competitive type of play. This was previously offered as **Open Pickleball**.

**Competitive Pickleball:** For players who prefer fast-paced, competitive play. This category is for players who self-rate their pickleball skill at 3.5 or higher.

**Reserve Your Four:** For all players who prefer to prearrange their pickleball group. One member reserves the court for your group of four players. Guest fees (\$10) apply to non-members.

**NOTE: Nets are available for outdoor play on the flex court, weather permitting. Stop at the welcome desk if you would like to borrow a net. You will be responsible for setting up the net, taking it down and returning it to the building.**
