

# DECEMBER PICKLEBALL SCHEDULE

## Schedule effective 12/2/2024 - 1/5/2024

- These are reserved times for members. All players must scan in and guests (non-members) check in at the front desk prior to play.
- Reserve your spot in Mindbody starting at 6am, two days before your session or call the welcome desk at 412-828-8566, option 4, to schedule.
- If you have a reservation and are unable to play, please cancel at least 90 minutes prior to the session to give your fellow pickleball players a chance to fill the opening.
- Please arrive 5 minutes before the session begins. If you are not signed in by the time the session begins, your slot will be filled by a member of the waitlist who is present and available to play.
- We are no longer using a 15-minute break between sessions. You are responsible for watching the clock, collecting your gear and exiting the gym while the next group enters to prepare to play.
- Your fellow pickleball players are counting on your participation during the entire length of the session. Please consider only sessions where you can fully participate the entire time period.
- You may not sign up for more than one session per day. Being on a waitlist counts as a session sign-up. If you do register for more than one session, you will receive a call asking for your preferred session and your reservation will be removed from other sessions.

**Beginner Pickleball:** For those who are true beginners. Maybe you've taken our beginner program but you don't feel comfortable playing with more experienced players? This is the session for you.

**Social Pickleball:** For players of various skill levels looking for a fun, comfortable, social, non-competitive type of play. This was previously offered as Open Pickleball.

**Competitive Pickleball:** For players who prefer fast-paced, competitive play. This category is for players who are looking for more aggressive play.

**Reserve Your Four:** For all players who prefer to prearrange their pickleball group. One member reserves the court for your group of four players.
