

## **Membership Payment Terms & Conditions**

- I understand that all changes affecting my monthly draft (membership fees, billing information, holds, downgrades, membership terminations, etc.) require notice.
- I understand that all changes to my membership may be handled in person or online.
- I understand that Lauri Ann West Community Center Membership is a continuous membership plan and that my membership will remain in effect until it is properly terminated.
- I understand that I am responsible for any balance on my account and termination does not eliminate any balance owed.

## **Membership Holds**

- I understand that my membership may be placed on hold one time per calendar year for up to three (3) months.
- I understand that there is a \$10 processing fee for each membership hold.
- I understand that my membership will automatically reactivate in accordance with the reactivation date provided on my membership status change form.
- I understand that if I elect to terminate my membership, rather than reactivate it, I can do so in person or online. To avoid reactivation, which will restart monthly membership payments, I understand I must notify Lauri Ann West Community Center (LAWCC) prior to my reactivation date.
- I understand that LAWCC reserves the right to alter its Membership Holds policy and that they will provide notice before making any change.

## **Payment Authorization**

I authorize Lauri Ann West Community Center ("LAWCC") to charge my credit card or bank account monthly as payment for fitness membership, services, and/or products. If LAWCC is unable to process my monthly payment, I shall be fully responsible for an alternate payment arrangement and for any resulting processing fees. This authorization is in effect until I notify LAWCC to terminate this payment arrangement. I understand that all expenses will be charged on my behalf and these may include unpaid charges from previous months. I also understand that my full monthly membership fee will be deducted from my credit card or bank account on the first (1<sup>st</sup>) day of each month, starting on the first (1<sup>st</sup>) day of the month following my registration.

By signing this authorization, I acknowledge that I have read and agree to all of the information contained herein and certify that all information provided is correct. I also agree that I will not dispute any charges with my credit card company or bank without first making a good faith effort to remedy the situation directly with LAWCC. I am the legal cardholder for this credit card and I am legally authorized to enter into this recurring credit card billing agreement with LAWCC.
