

SUMMER PICKLEBALL SCHEDULE

Effective starting 6/15/2026

- These are reserved times for members. All players must scan in, and guests (non-members) check in at the front desk prior to play. Guest fees (\$10) apply to non-members.
- Reserve your spot in Mindbody starting at 6am, two days before your session, or call the welcome desk at 412-828-8566, option 4, to schedule.
- Registration closes 30 minutes before a session starts.
- If you have a reservation and are unable to play, please cancel at least 90 minutes prior to the session to give your fellow pickleball players a chance to fill the opening.
- Please plan to arrive before a session starts to ensure your spot. If you are not signed in by the time the class or session begins, members on the waitlist and in the building can fill your slot.
- You are responsible for watching the clock, collecting your gear, and exiting the gym while the next group enters to prepare to play.
- Your fellow pickleball players are counting on your participation during the entire length of the session. Please consider only sessions where you can fully participate the entire time period.
- You may not sign up for more than one session per day. Being on a waitlist counts as a session sign-up.
- Please be sure to familiarize yourself with the rules of game before attending Pickleball.
- Members ages 13 and up are permitted to participate in classes.

Beginner: If you know the rules, know how to serve, and know how to keep score, but want more practice (especially if you are enrolled in the clinic) to move into the next level, then the Beginner time slots are for you.

Social: This type of game is for players of various skill levels who are looking for a fun, comfortable, social experience. Players are expected to know the rules of the game, how to score, serve, return a serve, and volley.

Competitive: This category is for players who play a solid, faster-paced game. These games require quick movement to the net, strategic placements, and exceptional reaction time.

Reserve Your Four: For players of all levels who prefer to prearrange their pickleball group. One member reserves the court for your group of four players.

Round Robin: This session will be a structured form of play, and there will be a session leader. You will rotate partners in the time allocated to each round-robin session, allowing for more varied games. Games are timed so that all three courts end simultaneously. You must arrive on time and stay the entire session. Please do not register for the session if you cannot do so.
